Class Descriptions:

Learn to Skate – skates & blades – great for beginners who want to learn all the basics of roller skating & blading.

Beginner Blade level 1 – blades only – learn all the basics of roller blading and progress through our levels as you get better and better.

Beginner Blade level 2 – blades only – it's time to learn some more technical stops, crossovers, backwards skating and an enjoy and introduction to the awesome world of speed skating.

Beginner Speed level 3 – blades only – welcome to the first level of our speed skating classes.

Adults General Skills & Fitness – skates & blades – adults only 16+ suitable for beginners through to advanced skaters – great for fun & fitness.

Tots on Skates – skates & blades – designed to suit pre-school aged children (6 years & under) – play games, dance, learn new skills and have lots of fun – improves balance, coordination and self confidence.
